## ■ Preface

Hi everyone, I'm Machoume. My Kengau series has now reached its fourth book, and in total I've written 10 doujins now. Time passes quickly, and 40% of that time involved the Kengau sisters.

■ Although I used to rely pretty heavily on online shopping (even my drinks come from online), I recently bought even my glasses from online. It's amazing how the internet sells even prescription glasses—was really have entered the age of the true Hakkawari. A-next up, oxygen tanks for sale!

■ Apart from online shopping I don't have anything else to say, the doujin starts on the next page.

Kongou's  
been a  
little  
stronger.

Since the  
marriage  
(1xrp)  
system was  
instated

HMM  
HMM  
...  
**YOU'VE  
FINALLY  
COME.  
ADMIRAL.**

Hm?  
Kongou,  
you...

Kongou,  
I'm here

I wonder  
why I was  
called out  
today  
...

So tired...

**WHY....  
DO I  
FEEL LIKE  
YOU'VE  
SHRUNK?**

Destroyer Kongou

I went through  
loification  
recon-  
struction

ANYBODY  
WOULD  
NOTICE.  
AND I'M  
NOT YOUR  
POSSESS-  
ION!

(TTT)

Wooh!!

To  
notice this-

AS  
EXPECTED  
OF MY  
ADMIRAL!

So capable!

While  
we're  
at it  
...

Supplies  
sure are  
amazing

The  
admiral  
won't let me  
get close...  
there has  
to be a  
reason,  
right?!

It happened  
yesterday  
...

Why  
would  
you do  
this?

There's  
a deep  
reason.

...  
Well,  
about  
that

**WHY  
ARE YOU  
TRYING  
THIS  
HARD?!**

While  
I was  
secretly  
observing the  
Admiral's  
room....

垢染

C.  
could  
it be  
...

**SO BECAUSE  
OF THAT YOU  
CHANGED YOUR  
BODY TYPE?!**

**DIDN'T YOU  
MAKE THIS  
DECISION A  
LITTLE TOO  
CARELESSLY?!**

So I  
noticed  
that  
**THE  
ADMIRAL  
LOVES  
LITTLE  
GIRLS!**

Come  
on!!

No...  
even if  
you tell  
me to  
Come On  
...

IDIOT

You really can't be helped, Admiral-

... HUH?  
WHERE DID THAT  
COME FROM?

...  
please  
answer

Does the  
admiral  
hate  
Kongou?

...  
Admiral

....no,  
I don't  
hate  
you

**EHH?!**

SO  
THOSE ODD  
ACTIONS  
WERE  
TO FIND  
LOVE?

THEN WHY  
DO YOU  
REJECT  
MY  
ADVANCES  
?!

Well,  
you  
know  
...

Then  
...

IT WAS  
THAT?!

You're  
still not  
level 99,  
I can't  
marry you  
like this.

Will you  
marry me  
...?

If my  
level in-  
creases  
...

...well, I'll  
definitely  
consider  
it.

REALLY  
?!

It's a  
promise!!

You  
...

Afterwards

For my marriage  
with the  
admiral, I must  
exterminate  
all our  
enemies!!

I HAVE  
RESTORED  
MY TRUE  
FORM!

Turns out  
the admiral  
prefers them  
big.

IN THE  
END BIG  
CHESTS  
ARE  
STILL THE  
BEST!

A  
good  
mood

Unclear  
reason

Wore it  
anyway

## Comment

■ We don't often get to draw such a rambunctious female lead. Female lead, so I really enjoyed drawing her! I like all kinds of Inio series, but I especially like this kind of bawling Inio.

■ Although the school is this story takes place, I prefer from Clot.

■ We not a Hiccup, I just love drawing (but they bodies! But I'll find to have my bodies, so I guess I really am a Hiccup.

■ Although this doesn't seem like much of an effort, but if you like this the next time it'll be winter clothes. If you have the chance to see by, please do so!
